## THE HAYBARN, WETHERBY

New modern office build in rural Wetherby

A complete new office build using Siberian Larch Cladding and air source heating pumps.

Client: Vortex

Value: £500,000

The Haybarn at Parkhill is already home to several companies with agreements for more to join us soon. The speed with which the offices were taken up is testament to the build project and also to how well it fulfills the clear need for high quality office space in such an ideal location.
